

DESTINATION: SAFETY

Safety Glasses

- Must be worn at all times in the pits

Keep Pit Area Clean - Mommy Isn't Here

- Housekeeping is safekeeping
- Make sure to clean as you go

Don't Let Things Fly

- No loose clothing
- Keep long hair tied back

Be Careful When Working on Your Robot

- Disable your robot before you start working on it
- Put your robot up on blocks so it doesn't fly to another galaxy when you test it

No Horse Play in the Pits

- The only play action should be on the competition field

Some Tools are Irreplaceable

- We remind you yet again! Wear your safety goggles
- Protect hands by wearing proper gloves and keeping fingers away from moving parts
- Protect those toes by wearing proper shoes

Protect Your Back

- When lifting your robot or tool boxes, use your legs not your back

Avoid Spills

- In case of a battery spill, douse it with baking soda
- Liquids and electronics do not mix

Don't Trip Out

- Keep an eye out for tripping hazards... before they floor you

Safety First - Plan Ahead

- Know where your FIRST-AID kit is located
- Know the location of fire extinguishers, emergency exits, and safety station

Take Care of Yourself and Each Other

- Sleep, Shower, Eat, Drink H₂O and Repeat

Remember the Beauty of Flowers

- Demonstrate gracious professionalism at all times
